

### REMARKS

Applicant notes that page 1 of the Office Action has a typo with respect to reciting that claims 5, 6, 24 and 28-31 are pending in the subject patent application. However, page 2 of the Office Action correctly states that claims 5, 6, 24 and 26-31 are pending in the instant application.

#### Rejection of Claims 5, 6, 24 and 26-31 under 35 U.S.C. § 102(g)

Claims 5, 6, 24 and 26-31 are rejected under 35 U.S.C. § 102(g) as being anticipated by Goodwin (U.S. Patent No. 5,674,704). Applicant thanks the Examiner for the interview on 8/11/05 regarding the subject matter of the claims in the present application and the subject matter of the Goodwin claims. As per this interview, the Applicant traverses the subject rejection and respectfully points out that the claims of the present application are not anticipated by Goodwin. Accordingly, Applicant respectfully requests that the rejection be withdrawn.

Respectfully submitted,

---
